Dear Readers. Many thanks once again for your diligence in this regard. Please note that I have specified when we would like the King James Version used – Matins and Evensong and, of course, it is used at 9am BCP. Please use the New International Version for the Common Worship services i.e. Parish Eucharist etc.– that is the blue book, because this matches the Gospel readings. Please do not turn the top of the Lectern around as it has caused damage to the microphone and the appropriate book will be in place. With many thanks Judy
