

THE SCARECROWS ARE COMING!

Just to cheer us up we would like to hold a scarecrow festival again this year. Can you make a scarecrow and put it in your front garden? In order to observe the restrictions please put a registration form through the Rectory door with a small donation for the Church Fund by 6th October. Each entrant will be e-mailed a number which must be displayed with their scarecrow along with its title. There are no rules of type of scarecrow but please keep it tasteful. Scarecrows should be displayed where they can be easily seen without blocking public footpaths by the 24th October so that voting can take place from then in half term and closes on 2nd November. To vote for your favourite scarecrow please e-mail Judy with your choice – 1st, 2nd and 3rd. An online map with all the names and locations will be published on the church website.

Entry Form and small donation.
